Christ (Deemed to be University), a name synonymous with excellence and service, stands committed to holistic education and fostering a global outlook. With a diverse community of students and faculty, it remains a beacon of academic rigour and personal growth. (A little about the international christite community) At Christ University, diversity is one of our greatest strengths. Students from across the world come together here, bringing unique perspectives, experiences, and dreams.

3:10 PM - 3:15 PM Welcome Performance

Ladies and gentlemen, every great journey begins with a celebration, and what better way to start than through the universal language of art and culture./Dance is the hidden language of the soul — a timeless art that transcends words and captures the depth of human expression. We now turn to a performance that beautifully reflects India’s rich cultural heritage. Bharatanatyam, one of India’s oldest classical dance forms, blends intricate footwork, expressive gestures, and dynamic movements to narrate stories from ancient scriptures.

To officially commence the ICC Coffee Meet and Greet 2026, we invite you to enjoy a welcome performance presented to you by the very own university dance Team Natyarpana performed by the students of the department of performing arts.

Please join me in welcoming our dancers to the stage.

Thank you to our wonderful performers for setting such a beautiful tone for today's gathering.

3:15 PM - 3:20 PM Welcome Address & Inspirational Message — Dr. Fr. Viju P. Devassy, Director, OIA

Every great beginning needs a guiding voice—one that inspires, encourages, and sets the vision for what lies ahead. It is my honour to invite a leader whose wisdom, experience, and commitment to excellence continually shape our institution.

To formally welcome our newest members and share a few words of inspiration, it is my privilege to invite our respected Director of the Office of International Affairs, Dr. Fr. Viju P. Devassy to address the gathering.

Thank you, Father, for your inspiring words. Your message truly sets a meaningful tone for today's programme.

3:20 PM - 3:25 PM Cultural Dance Performance

At Christ University, diversity is one of our greatest strengths. Here at ICC, one of the most beautiful aspects of our community is the opportunity to celebrate cultures from around the world while embracing the rich traditions of India.

Our next segment perfectly captures this spirit of cultural harmony.

Please put your hands together for our members of the beloved ICC cultural team as they present a vibrant Nepali Dance.

Let's give them a huge round of applause. What a wonderful showcase of culture, tradition, and talent. Thank you to all the performers.

3:25 PM - 3:35 PM Introduction to OIA & ICC — Mr. Selwyn Mascarenhas, ICC Head Coordinator

For every student arriving in a new country or city, having a supportive community can make all the difference, whether it is to have someone to bond over local food spots with, share cultural memories with or even just to have company while catching a flight back home.

At Christ University, the Office of International Affairs and the International Christite Community work together to ensure that every international student feels welcomed, supported, and connected.

To tell us more about these initiatives and opportunities available to our students, I invite the ICC Head Coordinator Mr. Selwyn Mascarenhas to the stage.

Thank you sir for that informative overview. I'm sure all the freshers already feel more at home knowing we're all here for them.

3:35 PM - 3:40 PM Student Testimonial

Now I know some of you here might still have a bit of fear and doubt about starting a whole new chapter away from home. But sometimes, the best way to understand a community is through the experiences of someone who has lived it.

Our next speaker is a student who has actively engaged with the ICC community and experienced first-hand the opportunities, friendships, and support it offers.

Please join me in welcoming Mr. Advaitya Nair for a student testimonial.

Thank you, Advaitya, for sharing your journey and inspiring our new students.

3:40 PM - 3:45 PM Musical Performance

“Music gives a soul to the universe, wings to the mind, flight to the imagination, and life to everything.” Music has an extraordinary ability to bring people together beyond borders, languages, and cultures. Representing the vibrant spirit of our international community, our next performance comes from Mr. Myglord Musenge.

Let's welcome him to the stage with a big round of applause and enjoy his energetic performance.

That was absolutely fantastic! Thank you Myglord for that electrifying performance.
